positive

27	dva aspekty najvyššej kvality	The time each student spent in the project				
		Comminucating with other cultures Having a great time with foreign students my age				
		Communication, activities, fun				
		communication and IT projects				
		Communication and open mindedness				
		Communication, Technology				
		Cooperation with home school students and using technologies like Office and so on				
		-dedication of students and teachers -team work				
		first of all, the students chosen to participate were a big part of the successful journey, thanks to them and their teachers- we all were mature enough and capable of making the most of our trip second fact is the environment where we were staying, either during our visit in Portugal or in Slovakia, the places we visited, people we met, activities we did...it all took a place in valuation				
		Food and the friendliness of the students				
		friendship				
		Güzel sunumlar ve iyi öğrenciler bence gerçeği oluşturur				
		İngilizmi geliştirmede ve yeni kültürler tanımamda				
		involvement of specific countries, interesting project assignment				
		Kültür farkı ve Yurtdışı				
		New girl's friend's and unforgettable				
		Nice people and fun activities.				
		Non l'abbiamo ancora fatto				
		O acompanhamento das professoras				
		organisation, good atmosphere				
		Productivity, timing				
		project team and organization				
		Slovakia is my first country that i have been to and i experienced a good week while being there. I learned about culture, food, fun, architecture difference between countries. I got the experience of being a guest in Slovakia in a Slovakian house. I got welcomed by the family that i have been stayed with them for a week.				
		Teamwork, Assertiveness				
		Thats very fun and seeing new places makes me happy				
		The girls friends				
		The people, the organizers				
		the program made for the week				
		meeting of participants from different countries				
28	aspekt, ktorý by urobil projekt úspešnejším	To travel more. :)				
		communication with school				

		Daha iyi imkanlar sayesinde ve projeye verilen değer ile daha başarılı olacağına inanıyorum				
		Daha sık düzenlenmesi				
		do this organization often				
		Hard work and quality				
		in the future, i would probably choose students by their knowledge in English, because we have seen some students that weren't capable of making conversation in this common language				
		I think its successful enough but maybe it could be longer.				
		I think that the project was amazing in the way it took				
		it was brilliant				
		Mais organização				
		Making the project a little longer and more free time to spend				
		More initiatives				
		More initiatives like this				
		More leisure time, more outside activities				
		Ambition				
		more punctuality during activities				
		More time to spend				
		none				
		None				
		Non l'abbiamo ancora fatto				
		Nothing				
		nothing, its all good				
		Shorter periods between visiting countries.				
		should be given longer				
		spend more time with foreign students				
		Süresi uzayabilir				
		Test some of the foreign students' levels of english to ensure they are able to communicate adequately.				
		The organization of everything we did there				
		Time Organization				
		More time
